

CONGRATUATIONS on taking the first step towards not only professional freedom, but personal & lifestyle freedom!

We know you have spent a lifetime going to dental school, setting up your practice, treating your patients, operating your practice, dealing with the destructive covid/pandemic events with team, patients etc, you are tired of all the struggles, yet you have preserved on. When you reflect on your career, you soon realize you have spent more time practicing dentistry than with your family & loved ones. No matter the circumstance, you have evolved and made the decision to be liberated from the day-to-day headaches somewhat or completely resigned.

NOW is **YOUR** time! **YOU DESERVE** the next chapter to be full of life's pleasures, building moments with your family & loved ones that will be cherished through the years!

When you **LIST & SELL** your practice with WyndSOR... you & your significant other will aboard a Norwegian Cruise for 7 days and **SET SAIL** to the Caribbean *complimentary* of WyndSOR Dental Transitions!

* Some Restrictions apply.
